Report Coledic 2009/5/28

Dear members of SITSE,

Every drop is one. We are very happy to show and explain to you the progress that we've made, with the help of your donation.

We prepared a wall in one of our classrooms and we bought materials for our physio therapy room. Since 04/05/09 we offer our students, but also students from other schools physio and occupational therapy. Because of the money you donated we bought: Balls (all kind of sizes) Gymnastic balls, springrowes, elastic bands, weights etc. Charity, our physio therapist, works with the kids in her room and she helps at the moment around 20 children on a weekly basis. Children with Autistic Spectrum, children with cerebal palsy, weak motor skills, etc. The last couple of weeks we had a lot of schools visit us, so they could see with their own eyes what kind of services we offer and that mean we can help more children. The schools that visited have already started refering children from their school to ours.

With this letter there are some pictures from the materials that we bought.

Many, many, thanks from the whole Coledic team.

Sincerely yours,

Sigrid Kootstra
